---

## OBJECTIVE

---

To secure a position within your company that utilizes the many skills I have harnessed throughout my time in the work force.

---

## EXPERIENCE

---

### Senior Account Executive :: Ricoh, USA

**2/2017 - Present**

- Grow and retain revenue as well as pursue and close sales leads.
- Utilize Oracle Sales (previously Salesforce) cloud for account management.
- Conduct account reviews to ensure clients have the correct equipment for volume and document processes.
- Create quotes and proposals for new equipment while working closely with design specialists.
- Run credit, contact leasing companies for buyout information, and confirm Secretary of State standings.

### Private Events Supervisor :: The St. Louis Brewery

**6/2015 - 2/2017**

- Oversaw all private on-site events including event set-up and take-down, management of banquet team, troubleshooting any "day of" event issues, and trained new employees on Micros, beer, and service standards as needed.
- Assisted behind the bar and on the floor as a banquet server and bartender regularly.
- Assisted with on and off-site festivals in support roles as needed.

### Bar Supervisor :: B&B Theatres—Wildwood

**11/2012 - 03/2017**

- Handled bar inventory, created employee schedules, and handled drawer drops.
- Trained new employees on Vista, cocktail creation, and service standards.
- Worked behind the bar regularly and supported other areas of the company when needed.

---
